The collection includes seating, tables, easels, pods, and screens made with a mix of materials, including wood, aluminum, plastic and textiles. The pieces can act as semi-private hubs, or encourage users to create collaborate workspaces. Wood and soft upholstery keeps the furniture warm and inviting. Soft edges make the collection even less traditional, striking a balance between form and function. The flexibility of Zones

Navigation it easy to fit a diverse spectrum of needs— whether users like to stand or sit, use digital or analogue tools. Zones is a workplace solution that embraces productivity, while also creating a warm and natural space for the modern employee.
